NATIONAL HAPPINESS HAPPENS DAY | AUGUST 8 Smile on August 8th to share in National Happiness Happens Day. On this day each year just let it happen. You know. Happiness. Because happiness happens.

#HappinessHappensDay

The day encourages happiness all day. Recognize every moment of glee, joy, delight, and pleasure. Don't let it pass. Most importantly, a flicker of a giggle should be given its due, and should it blossom into full-blown happiness, don't be surprised. It happens!

Quote mark For every minute you are angry you lose sixty seconds of happiness. Ralph Waldo Emerson

Another element of the day prohibits the squashing of other people's happiness. From time to time, we might find other's happiness might seem irritating. Those moments happen when we have particularly rotten days. However, our bad days don't give us the right to squash another person's joy. Instead, allow their delight in the day to infect us. Perhaps, their ability to smile will blow the storm clouds away from your day.

HOW TO OBSERVE NATIONAL HAPPINESS HAPPENS DAY

Share your happiness and seek ways to infuse happiness in your life. Make it happen! Use #HappinessHappensDay to post on social media and let others know to do the same.

Are you looking for more ways to boost your happiness level? Well, we have 14 Ways to Foster Happiness in Your Life that we think are worth sharing.
